

# LUSAS Version 14 : Free Upgrade Training Events

L O N D O N - B I R M I N G H A M - G L A S G O W - D U B L I N

27<sup>th</sup> October 2006

invitation

Dear LUSAS user

## LUSAS Version 14 : Free Upgrade Training Events : UK & Republic of Ireland

Following the recent release of Version 14, LUSAS is pleased to announce that a series of free half-day Version 14 upgrade training events will take place at various locations in the UK and the Republic of Ireland during November 2006. At these events LUSAS staff will take you through the exciting new features and facilities in Version 14 and show you how they will be of benefit to you in your work. Computers will be available for you to get your hands on Version 14 for yourself.

**Attendance at these events is free but places at each session are limited. Please book early.**

Monday, 27th November 2006	Tuesday, 28th November 2006	Wednesday, 29th November 2006	Friday, 1st December 2006
Institution of Structural Engineers, LONDON	MacDonald Burlington Hotel, BIRMINGHAM	Offices of Glasgow City Council, GLASGOW	Temple Bar Hotel, DUBLIN

- You have the choice of booking to attend either a morning or an afternoon session at any of the above venues. Morning sessions run from 9.00 a.m. to 12.30 p.m. Afternoon sessions run from 1.30 p.m. to 5.00 p.m.
- By holding free half-day regional events we hope to make it easier for you to come along and see us.

LUSAS is sponsoring these events at which refreshments are provided. If you or any of your colleagues would like to attend please either complete the booking form overleaf stating which session you prefer to attend and **fax the form to LUSAS by Friday, 17th November 2006** or email us at [training@lusas.com](mailto:training@lusas.com) instead.

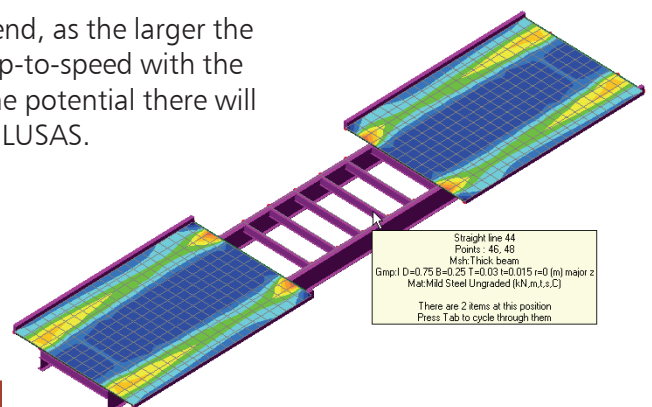

So come along to see the exciting new features in LUSAS software, get your hands on the latest version of the software and discuss LUSAS-related issues with LUSAS staff and fellow users in an informal environment.

We hope as many LUSAS users as possible will be able to attend, as the larger the attendance, the greater the potential for us to bring you all up-to-speed with the benefits of the new features in Version 14, and the greater the potential there will be for users like yourself to influence future developments in LUSAS.

We look forward to seeing you at one of the events.

Yours sincerely,

The LUSAS Team
